

1 General Administration

Welcome to the IRTG! Lorem ipsum dolor sit amet, consectetur adipiscing elit. Ut purus elit, vestibulum ut, placerat ac, adipiscing vitae, felis. Curabitur dictum gravida mauris. Nam arcu libero, nonummy eget, consectetur id, vulputate a, magna. Donec vehicula augue eu neque.

You can also use these highlightboxes whenever you feel like (probably should not overuse it to maintain readability!

2 Communication & Contact

For emails, dates (and links, see below) I suggest using `\texttt{}`:

Some email: Email@example.de

Some date: 2025-04-30

Some link: <https://duckduckgo.com>

3 Important Links

There are two ways we could include links in this document: Either as plain text (bad for long links) or clickable within some sentence. For example:

Graduate programme: <https://www.computeralgebra.de/sfb/graduate-programme>

Check out the [website](#) of our graduate programme!

Just keep it consistent!

4 Research & Technical

This is how regular bullet points look in this template:

- OSCAR Slack
- GitHub
- VPN Setup

I also made this version of itemize with bigger, green bullet points (but this might be too much). Feel free to tinker with the settings in the header of this document or just use the regular itemize/enumerate.

- OSCAR Slack
- GitHub
- VPN Setup

5 Training & Development

Language courses and soft skill seminars?

6 Orientation & Social Life

Get to know your fellow PhD students!

- Parties or something?
- Informal local messenger groups?
- Campus tour?

If you have feedback or suggestions regarding the template, put it here:

- Remove the numbers from the sections? (Tobi)
